

EVERLASTING LEGACY ENGRAVED BRICKS FUNDRAISER

www.jimnedvhp.org ~ www.jimnedalumni.com

The Bricks Everlasting Legacy are great to honor family/friends/community/veterans as well as a visible permanent memorial to those who have planted roots here or impacted our lives greatly over the years or gave their lives in service for our country. Your donation will go toward saving one the early brick buildings still standing in downtown Tuscola. A building constructed in 1913 and built of onsite handmade blocks and bricks as well as native stone. The roof is in need of being completely replaced and the interior is ready to entertain a fresh splash of imagination. The JNVHP hopes to create an atmosphere of the yesteryear and educate those who enter in of the rich heritage that is no longer visible in many areas of South Taylor County. The Research Library and Community Museum will link the past to the present and strengthen our future generations knowledge of preserving history for years to come.

The building will also house the American Legion Artifacts, photos and plaques as well as a place for them to hold their meetings and activities.

12" x 12" \$375 with Logo \$350 without Logo
